Identical letters dated 13 March 2017 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to bring to your attention Syrian violations of the Agreement on disengagement between Israeli and Syrian forces, as well as breaches of Israeli sovereignty, during the months of January and February 2017. A comprehensive list of those violations and breaches is contained in the annex to the present letter (see annex).

As outlined below, Syrian violations of the Alpha line and armed presence in the Area of Separation are daily occurrences. Despite their clear visibility and the fact that the Israeli Defense Force (IDF) regularly informs the United Nations Disengagement Observer Force (UNDOF) of these violations, such information is consistently excluded from reports of the Secretariat.

Israel is fully committed to the implementation of the disengagement of forces Agreement and relevant Security Council resolutions, as is demonstrated by the reports the IDF continuously supplies to UNDOF.

Syrian violations of the Agreement on disengagement between Israeli and Syrian forces only serve to enhance tensions in an already volatile region. It is, therefore, imperative that the upcoming report of the Secretary-General on the activities of UNDOF accurately represent the situation on the ground and demand that the Syrian Government abide by the 1974 disengagement of forces Agreement.

I trust that the forthcoming report will reflect these ongoing violations, as well as Israel's commitment to the successful implementation of the disengagement of forces Agreement.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(*Signed*) Danny **Danon**

Identical letters dated 13 March 2017 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to inform you of Lebanese violations of Security Council resolution 1701 (2006) and breaches of Israeli sovereignty during the month of February 2017. A comprehensive list of those violations is contained in the annex to the present letter (see annex).

As outlined in this letter, as well as in previous letters that I have sent, Lebanese violations of Security Council resolution 1701 (2006) are daily occurrences. Furthermore, as was most recently relayed in my letters dated 13 February 2017 (S/2017/133) and 17 February 2017 (S/2017/148), Hezbollah's armed presence in Southern Lebanon not only continues to go unchallenged by the Lebanese Government, it is also actively encouraged by it. Despite their visibility and frequency, the vast majority of these violations are consistently excluded from the reports of the Secretariat.

I trust that forthcoming reports of the Secretary-General on the implementation of Security Council resolution 1701 (2006) will reflect these ongoing violations and demand that the Lebanese Government abide by its commitment under resolution 1701 (2006).

I should be grateful if you would have the present letter and its annex circulated as a document of the Security Council.

(*Signed*) Danny **Danon**
Ambassador
